

Yahweh-M'Kaddesh (Leviticus 20:7-8)

Sermon Devotional

Series - The Lighthouse: Reflections on the Nature of God
Dr. David H. Rhoades - November 21, 2021

1. In order to be accepted by others, do you believe it's better to fit in or forge your own way?
2. Why do you believe this is true?

Digging Deeper

3. Read Leviticus 20:7-8 or access Pastor David's message at broadviewchurch.com/media.
4. What does the Lord command his people to do in these verses?
5. Israel was called to be completely different from the other nations around them. Both Egypt and the Canaanites practiced child sacrifice. If Israel was different, how would Israel's actions be a witness to their neighbors?
6. What does the Lord call himself in verse 8?
7. To "sanctify" something essentially means the same thing as to make it holy. It is a call to be separate or distinct from others. How would Israel be distinct from other nations?

Bringing It Home

8. In what ways is the Lord calling you to separate yourself from others today?
 9. Pray for the Lord to give you understanding and strength of will to be different than the world.
